Proceedings in default

147. (1) If any sum payable in respect of any rate remains unpaid at the end of February or August, as the case may be, the owner or owners shall be liable to pay the same together with such fee as the local authority may fix from time to time.

(2) If any such sum or any part thereof remains due and unpaid by the end of February or by the end of August in each year, as the case may be, it shall be deemed to be an arrear and may be recovered as provided in section 148.

Proceedings for recovery of an arrear

148. (1) For the recovery of an arrear the local authority may issue a warrant of attachment in Form F of the First Schedule hereto and may seize by virtue thereof any movable property, belonging to the owner or occupier liable to pay the same, which is found within the local authority area and may also seize any movable property, to whomsoever belonging, which is found on the holding in respect of which the arrear is due:

Provided that no warrant of attachment shall be issued by the local authority unless it has served a notice, in Form E of the First Schedule hereto, posted or delivered to the owner or any one of the owners, if more than one, at the last known address, calling on him to pay the arrear within fifteen days of the posting or delivery.

(2) The warrant shall be executed by an officer of the local authority who shall make an inventory of the property attached thereunder, and shall at the same time give notice in Form G of the First Schedule hereto, to the person in possession of the property at the time of attachment:

Provided that where in the opinion of the officer executing the warrant the value of the movable property to be attached is of a lesser value than the arrear to be recovered or there is no movable property to be attached as in the case of a holding which is vacant or unoccupied no such inventory need be made and in such a case he shall affix a notice in Form H of the First Schedule hereto on some conspicuous part of the holding or any one of the holdings in respect of which the arrear is due to the effect that procedure for the recovery shall be instituted under section 151.

(3) Such officer may break open in the daytime any house or building for the purpose of effecting such attachment.

(4) The fee for a warrant of attachment shall be of such amount as the local authority may fix from time to time and shall be costs of the attachment.

Sale of property attached

149. (1) Unless the arrear with costs be paid within seven days from the date of the attachment the property attached or such part thereof as may be necessary shall be sold by public auction:

Provided that where the property seized is of a perishable nature or where expense of keeping it in custody will exceed its value it may be sold at once.

(2) The expenses of the maintenance of livestock and the custody of moveable property shall be costs of the attachment.

Application of proceeds of sale

150. The proceeds of sale shall be applied in satisfaction of the arrear together with interest thereon at the rate of six per centum per annum and costs, and the surplus, if any, shall be paid to the person in possession of the property at the time of attachment.

Attachment and sale of holding

151. (1) If the arrear cannot be recovered in the manner provided in section 148 it shall be lawful for the Registrar of the High Court upon application made by the local authority, or by any officer of the local authority authorized by the local authority in that behalf, to order the attachment and sale of the holding or holdings in respect of which the arrear has accrued.

(2) Such attachment and sale may be effected in the manner provided by the law relating to civil procedure for the execution of a decree by attachment and sale of immovable property.

(3) The Registrar of the High Court shall, from the proceeds of sale, provide first for the costs of attachment and sale, then for payment to the local authority of the amount of the arrear, together with interest thereon at the rate of six per centum per annum and costs, and in the event of there being any surplus remaining the Registrar shall, if he is satisfied as to the right of any person claiming such surplus, pay the amount thereof to him, and if he is not so satisfied, shall place the amount on deposit in the Treasury to be held in trust for the person who may ultimately succeed in establishing his claim thereto.

(4) The local authority may in its discretion refrain from seizing and selling, or may release from attachment, any property lawfully seizable under section 148 where such property is the property of the occupier, being a tenant, of the holding or of a person not liable to pay an arrear due in respect of such holding.

(5) Where the property is the property of a tenant-occupier, the local authority shall refrain from seizing and selling or shall release from attachment such property:

Provided that the tenant-occupier pays to the local authority the rent of such holding as it falls due until the arrear is satisfied or until the termination of his tenancy and in any such case, notwithstanding anything contained in subsection (1), such holding may be attached and sold.

(6) The amount of any rent paid by a tenant-occupier to the local authority under subsection (5) may be deducted by such tenant-occupier from the next and following payments of rent to the owner of the holding.

Recovery of costs

152. All costs of any proceeding under this Part for the recovery of arrears may be recovered as if they formed part of such arrears.

Power to stop sale

153. If any person having any interest in any property liable to be sold under this Part at any time previous to such sale tenders the arrear with interest and costs the local authority shall thereupon desist from all further proceedings in respect thereof, and where the property has been attached by the Court under section 151 he shall inform the Court of such payment.

Objection to attachment

154. (1) If any person whose property has been attached under the provisions of this Part disputes the propriety of the attachment he may apply to the High Court, in the case of the attachment of a holding, or the Magistrate's Court in the case of the attachment of movable property, for an order to stay the proceedings, and such Court after making such enquiry as may be necessary shall make such order on the premises as may be just.

(2) No application shall be entertained by any court unless the applicant has deposited with the local authority the amount of the arrear with interest and costs.

Recovery of rates paid by occupier

155. If the sum due from the owner of any holding on account of any rate or costs is paid by the occupier of such holding such occupier may, notwithstanding anything contained in any agreement or arrangement with the owner, deduct from the next and following payments of his rent the amount which may have been so paid by him.

Arrear may be sued as debt

156. Notwithstanding anything herein, an arrear may be sued for and recovered as a debt in a court of competent jurisdiction by the local authority in its official name from any person liable to pay the same.

Evidence of rates

157. The production of the books or records purporting to contain any rate or assessment made under this Part shall, without any other evidence whatever, be *prima facie* proof of the making and validity of the rates or assessment mentioned therein.

Assessment, etc., not to be impeached for want of form

158. (1) No valuation or rate assessed thereon, no charge or demand of any rate and no attachment or sale shall be impeached or affected by reason of any mistake in—

- (a) the name of any person liable to pay the rate;
- (b) the description of any holding liable to such rate;
- (c) the amount of the rate assessed thereon; or
- (d) the mode of attachment or sale,

where the requirements of this Part or of any by-law, rule or regulation are in substance and effect complied with.

(2) No proceedings under this Part for the recovery of any rate shall be quashed or set aside in any court for want of form.

Liability of owner on subdivision or amalgamation of holdings

159. Whenever holdings are subdivided or amalgamated the owner thereof shall be liable to pay until the end of the year in which subdivision or amalgamation is effected or until the coming into force of a new Valuation List, whichever is prior in time, all rates, arrears, interest and costs due thereon as if such subdivision or amalgamation had not been made.

Notice of transfer of rateable holdings

160. (1) Whenever any rateable holding within a local authority area is sold or transferred it shall be the duty of the seller or transferor and the purchaser or transferee within three months after such sale or transfer to give notice thereof to the local authority in Form I of the First Schedule hereto.

(2) Whenever the owner of any rateable holding within a local authority area dies it shall be the duty of the person becoming the owner thereof by succession or otherwise to give notice thereof to the local authority within a period of one year of the death in Form J of the First Schedule hereto.

(3) On receipt of such notice the local authority may require the production of the instrument effecting change of ownership or of a certified copy thereof.

(4) Every person who sells or transfers any rateable holding within a local authority area shall continue to be liable for the payment of all rates payable in respect of such holding and for the performance of all other obligations imposed by this Part or by any by-law upon the owner of such holding which become payable or are to be performed at any time before notice of such transfer has been given or until the sale or transfer has been recorded in the books of the local authority.

(5) Nothing herein shall affect the liability of the purchaser or transferee to pay the rates in respect of such holding or to perform such obligation, or affect the right of the local authority to recover such rate or to enforce such obligation under this Part notwithstanding that such rates became payable or such obligations were imposed before notice of such sale or transfer had been recorded.

(6) Every person failing to give any notice shall on conviction be liable to a fine not exceeding two thousand ringgit or to a term of imprisonment not exceeding six months or with both.

Notice of new buildings

161. (1) Where any new building is erected or where any building is rebuilt, enlarged, altered, repaired or renovated, or where any building which has been vacant is re-occupied the owner of the holding on which such building is situate shall within fifteen days give notice thereof in writing to the local authority.

(2) The said period of fifteen days shall be reckoned from the date of the completion or of the occupation, whichever first occurs, of the building which has been newly erected, rebuilt, enlarged, altered, repaired or renovated, as the case may be, and in the case of a building which has been vacant, from the date of the re-occupation thereof.

(3) When any building or portion of a building is demolished or removed otherwise than by the order of the local authority, the owner of such holding shall give notice of the commencement of such demolition or removal in writing to the local authority.

(4) The local authority may on receipt of the notice, and if it is satisfied that the demolition is being properly and expeditiously carried out, order that the rates assessed in respect of any such holding be reduced and if already paid refunded proportionately to the amount of the assessment of the holding relating to the building or portion of the building being demolished or removed.

(5) Until such notice is given the owner shall continue to be liable to pay rates in respect of such holding as though such building or portion of a building had not been demolished or removed.

(6) Every person failing to give any notice shall on conviction be liable to a fine not exceeding two thousand ringgit or to a term of imprisonment not exceeding six months or to both.

Refund on unoccupied buildings

162. (1) Where any building is unoccupied and no rent is payable in respect thereof during a period of not less than one calendar month in any half year in respect of which a rate has been paid the local authority may order the refund or remission, as the case may be, of a part of such rate proportionate to the period during which the building has been unoccupied.

(2) No refund or remission shall be ordered unless the person claiming the same shall have within seven days from the commencement of the period in respect of which the refund or remission is claimed given written notice to the local authority of such vacancy and in the case of any refund shall have claimed payment thereof in writing not later than one month after the expiration of the half year in respect of which the claim is made.

(3) No refund or remission shall be ordered in respect of any building unless the owner of the holding in question proves to the satisfaction of the local authority—

- (a) that such building is in good repair and fit for occupation;
- (b) that every reasonable effort to obtain a tenant has been made;

- (c) that the rent demanded is a reasonable one;
- (d) that the building has been vacant during the whole period for which the refund is claimed:

Provided that when a refund is claimed in respect of a period during which the building has been undergoing repairs for the purpose of rendering it fit for occupation or for *bona fide* reconstruction it shall not be necessary to prove, in respect of such claims the matters specified in paragraphs (a), (b) and (c).

(4) Claims shall state the dates on which the building was unoccupied and the address to which communications in reference thereto may be sent.

(5) For the purposes of this section the expression “building” includes—

- (a) a self-contained flat in a building erected with the approval of the local authority;
- (b) any whole floor in a building with separate means of access;
- (c) floor space of not less than 1,000 square feet on the same floor of a building which may be let as an office, shop, factory, godown or other similar use.

163. (1) In the case of buildings situated on State land or on land reserved for a public purpose and not occupied by the Federal or State Governments the local authority, with the approval of the State Authority, may impose the rates referred to in section 127 upon the annual value or improved value of all or any of such buildings, and the occupiers of such buildings shall be liable to pay the said rates.

(2) The provisions of this Part shall apply to any rate imposed under subsection (1) except that in the application thereof references to a “holding” shall be deemed to be references to a “building”, and references to the “owner” of a holding shall be deemed to be references to the “occupier” of a building.

Saving

164. Notwithstanding the provisions of this Act, until such time as a Valuation List shall have been prepared and certified in accordance with this Part the assessment list furnished or prepared under the provisions of any written law repealed by this Act shall notwithstanding such repeal be the basis of the rates to be levied in respect of rateable properties contained in such assessment list and such assessment list shall be deemed to be the Valuation List for the time being in force.

PART XVI
