HOW DOES YOUR INVOLVEMENT AS A MEMBER HELP CONSERVE PENANG'S HERITAGE?

PHT played a major role in the 20-year campaign to get George Town recognized as a World Heritage Site. George Town was listed together with Melaka in 2008. With your support, **PHT will continue its mission to protect George Town's hard-earned status as a UNESCO World Heritage Site.**

-----

PHT has worked hard to save the historical buildings including Suffolk House, the Hainanese Mariners' Lodge, the Carpenter's Guild, the Protestant Cemetery, 26 Church Street (PHT office) and many others. **Your participation will help PHT to continue its work towards saving the other historical treasures throughout the state of Penang.**

-----

PHT has organised numerous projects and events to promote the history and living culture of Penang including the Living Heritage Awards, The Penang Story, The Penang Global Ethic Project, and the Penang Apprenticeship Programme for Artisans (PAPA). **Your participation will help PHT to create awareness of Penang's living and intangible heritage.**

-----

Your membership provides the critical support that enables PHT to conduct its activities and raise public awareness about Penang's heritage.
